Central Bingham Projects

Central Bingham Tree Sale

Central Bingham held its annual Tree Sale in May. The money that is earned from this is used throughout the year to help with the education of children throughout the county. This year the county bought trees and distributed them to 4th graders at various schools within the county for Arbor Day.

The Central Bingham gave the Snake River FFA a donation for Ag Days that was held at Snake River High School for 3 days. The monies were used to help provide bussing for the students so that they could participate.
