Dear Delwyne:

The **East Side SWCD** is requesting Idaho Soil and Water Conservation Commission staff time in the form of Comprehensive District Assistance. This time will be used to for the ISWCC staff member assigned to the **East Side SWCD** to attend District Board meetings.

This request is made due to the limited time that ISWCC has allocated for their staff to attend Board meetings. The **East Side SWCD** Board feels that it is beneficial to have ISWCC staff on hand at District Board meetings. This will facilitate communication between the **East Side SWCD** Board and ISWCC and better provide assistance to the District.

Natural Resource Conservation Service representatives also regularly attend District Board meetings, and the interaction between NRCS staff, ISWCC staff, and the District Board contributes toward keeping everyone informed, and promoting the conservation partnership. This partnership is crucial to the conservation efforts in Idaho.

The District assistance criteria ranking sheet and certification form are attached or will follow.

Thank you,

Matt Woodard
