

## Recent projects:

### **Annual Tree Sale**

- Every spring we host an annual tree sale.

### **Christmas Tree Sale**

- The BSCD is doing another small fund raiser this year by selling Christmas Trees. Last year we purchased 25 trees to sell to the local community and we were able to sell all 25. This year we have purchased 40 in hopes of selling them all. We are off to a great start.

### **County Fair**

- We had a small educational booth and the County Fair this year. Mostly covering the things that the conservation district does and what we offer to the community.

## Future Projects:

### **No till Drill**

- We are currently looking for ideas and speakers to put on a workshop for the Blaine and Camas areas covering no till drilling and cover crops.

### **SnoTel**

- Blaine Soil Conservation is currently involved with NRCS in funding a new SnoTel for the Iron Mine area North of Carey. We are hoping to eliminate 5 of the manual read SnoTels and add the one more efficient new SnoTel.

### **Information**

- BSCD is working hard and making the community more aware of the Soil and Water issues that affect Blaine County and what they can do to help us fight erosion and water waste.
- BSCD plans to continue Snow Surveys to provide water reports.
- BSCD now offers forage and soil sampling to Blaine county areas.

### **Education**

- BSCD offered three scholarships to Blaine County Seniors one for \$1500, one for \$1000, and two for \$500.
- BSCD is a sponsor of the Poster Contest at local, state, and national levels.
- BSCD will continue to sponsor the state Envirothon Competition.
- BSCD is also trying to reintroduce AG, speech and poster contests, and envirothon into Blaine County Schools.
