

2015 Boat Station

Through an agreement with the State of Idaho Department of Agriculture, the District operated the southeast Idaho's inspection and decontamination boat station at the rest area south of Malad City. This was an intricate part of our district operations for 2015. The Oneida SWCD supervised all the operations of the boat station.

Changes

There have been significant changes with the District and the District Board this past year.

Ron Blaisdell (previous Chairman) resigned his position with the board in October for personal reasons and Dallan Nalder, (previous Vice-Chairman) stepped up to assume the position. Also, Loyd Briggs agreed to act as the Vice-Chairman. Doug Mills was appointed to a vacant position and is currently serving as Secretary.

Tori VanBebber recently resigned her position as Administrative Assistant for another employment opportunity, we are currently seeking her replacement.
